Nominated for a Karsh award in 2008, **PETER JURANKA** is a notable Ottawa-based photographer. Peter's unique style reveals the beauty of everyday objects through the use of strong colours via shadows, reflections and bold graphic elements.

BARBARA SOHN is also well known on the Ottawa scene. Her landscapes reflect her love of nature and her bold colours pay homage to the Canadian scene.

MICHAEL VENABLES has been a photographer for four decades. Through his rural and urban landscapes, he captures the unique character of the everyday exotic, near and far.
